New ICY BOX IB-288StU3Eb-H Mobile, fast and slightly voluminous

A 2.5" HDD enclosure is to make data mobile. That's why the enclosure is not exclusively connected to one's own computer. Thus the new ICY BOX IB-288StU3Eb-H makes data mobile and, moreover, provides data transfer speeds as fast as the computer enables – thanks to USB 3.0 and Firewire 800. Just in case, the computer does not enable, USB 3.0 is downwardly compatible. The height of 12.5 mm makes possible to use 1-TB HDDs. And still the ICY BOX looks elegant. The white high-gloss design will not only delight Mac users.

ICY BOX IB-288StU3Eb-H
Rec. retail price Euro 59.90
