

ICY BOX®

www.icybox.de

Finally Available: ICY BOX Multi Media Player IB-MP305, Leading in Performance.

Only a few weeks ago we announced it, today the new ICY BOX IB-MP305 hit our warehouse. Do you like one to test? We will send you a test sample immediately.

ICY BOX IB-MP305 is the media player which virtually fulfills every need. It is a specialist for Full High definition formats. This means dissolution of 1920 x 1080 p. It supports all common video and audio formats, including Flash video, Dolby Digital and DTS, all are delivered also through HDMI. The ideal stage for its employment is a Full-HD TV set or a home cinema system with demanding audio components. Even in the future the IB-MP305 will be in the lead as its firmware is updatable. Media files are fed to the ICY BOX via LAN, Wi-Fi, USB or card reader. The processor is an RTD 1073 by Realtek.

As a multi media player that works without an HDD this ICY BOX is the perfect bargain for film and music lovers who are reluctant to format another HDD or who simply worry about a potential noise in the living room. Users who don't have such concerns might connect an external HDD, maybe in an ICY BOX enclosure.

Recommended retail price including VAT: Euro 119,00

Key features

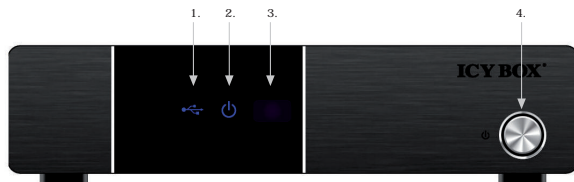

- Stylish Aluminium enclosure
- Powerful Media Chip RealTek RTD1073 inside
- Including DTS, Dolby Digital, WMA and AAC downmix support
- Supports: LAN 10/100 Mbps, RJ-45
