

Press release RaidSonic 06.3B/2010

RAIDON

New: Raidon iS2420-2S-S2

Two in One Solution

This trayless mobile rack accommodates two 2.5" HDDs or SSDs in the compact space of one 3.5" unit. That means more flexibility and less power consumption than with 3.5" HDDs, particularly if you use high storage capacities.

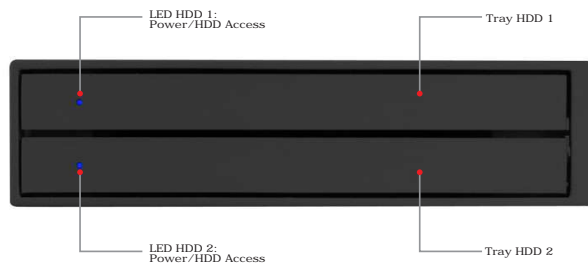

You change the drives very fast, Easy Swap®. Behind their aluminium doors they stay cool even when working very hard even without a fan.

Recommended retail price incl. VAT Euro 38.00
