# ICY BOX IB-DK2303-C USB Type-C™ DockingStation with triple video output

## Connection desires

Notebooks and other mobile computers are getting ever smaller but this comes at the cost of connectivity. The DockingStation IB-DK2303-C can permanently alleviate the lack of interfaces. 3x USB 3.0, 1x Gigabit LAN, 1x DisplayPort™, 1x HDMI®, 1x VGA, 1x USB Type-C™ PD 2.0, and a headphone combo jack are provided.

## Convincing visuals

Three different video interfaces are available and two monitors can be operated at the same time. The IB-DK2303-C enables you to connect a DisplayPort™ and HDMI® or a DisplayPort™ and VGA device simultaneously.

## The perfect position

The perfect symbiosis of stylish appearance, the latest technology and compact size. The high-grade aluminium housing not only looks good, but also offers comfortable access to the most important expansion ports.
