ICY BOX **IB-233U3-Wh** External enclosure for 2.5" SATA HDD/SSD with USB 3.0 interface and silicone protection sleeve

A love story

In elegant white, this enclosure attracts attention but remains very light at the same time, due to the plastic used. The white silicone sleeve absorbs both vibration and other impacts.

A silent partner

Thanks to the fanless design and the aluminium surface, a silent cooling is possible. Thus, making the IB-233U3-Wh a silent companion through the daily work. A blue LED indicator ensures that you are always informed regarding HDD access and activity.

Looking good!

It does not matter where, in the office, at home with the smart TV, multi media player or on you home PC, this enclosure is always suitable and positively noticed thanks to its aluminium surface.
