Installation

1

Eject the DVD drive's tray by poking this hole with a pin.

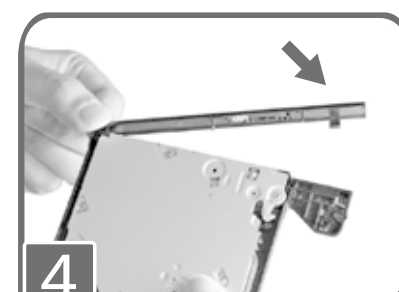

2

Unlock the bezel with a screwdriver.

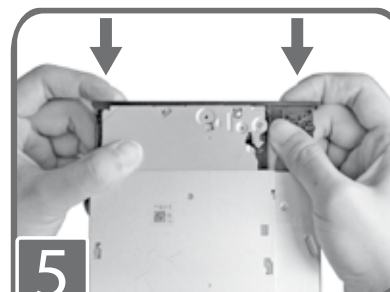

3

Take the bezel off of the drive.

4

Install the new bezel on the DVD drive.

5

Make sure the bezel is firmly attached on the DVD drive.

6

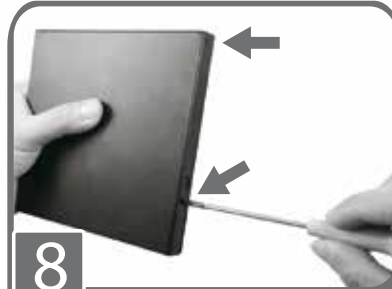

Insert the DVD drive into the new enclosure.

Installation

7

Push the DVD Drive into the enclosure.

8

Fasten the screws on the back of the enclosure as shown in the picture.

9

Put the sticker on the back of the enclosure as shown in the picture.

10

Stick the rubber pads on the bottom of the enclosure if necessary.
